

PRIVACY POLICY

Website Visitors

Like most website operators, abcntechnology.com collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request.

ABCN Technology Ltd's purpose in collecting non-personally identifying information is to better understand how ABCN Technology Ltd visitors use its website. From time to time abcntechnology.com may release none personally identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

abcntechnology.com also collects potentially personally-identifying information like Internet Protocol (IP) addresses. abcntechnology.com does not use such information to identify its visitors, however, and does not disclose such information, other than under the same circumstances that it uses and discloses personally-identifying information, as described below.

Gathering of Personally-Identifying Information

Certain visitors to abcntechnology.com choose to interact with abcntechnology.com in ways that require abcntechnology.com to gather personal information. The amount and type of information that abcntechnology.com gathers depend on the nature of the interaction.

For example, we ask visitors who sign up for a service to provide an email address. Those who engage in transactions with abcntechnology.com by requesting abcntechnology.com to search for services, for example, are asked to provide additional information, including as necessary the personal information required to process those transactions.

In each case, abcntechnology.com such information only in so far as is necessary or appropriate to fulfill the purpose of the visitor interaction with abcntechnology.com.

abcntechnology.com does not disclose personally-identifying information other than as described below. And visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities.

Aggregated Statistics

abcntechnology.com may collect statistics about the behavior of visitors to its websites. For instance, abcntechnology.com may monitor the most popular blogs on the site or use a third-party online analytics service to help identify trends. abcntechnology.com may display this information publicly or provide it to others. However, abcntechnology.com does not disclose personally-identifying information other than as described below.

Protection of Certain Personally-Identifying Information

abcntechnology.com discloses potentially personally-identifying and personally-identifying information only to those of its employees, contractors, and affiliated organizations that need to know that information to process it on abcntechnology.com's behalf or to provide services available at abcntechnology.com website, and that have agreed not to disclose it to others. Some of those employees, contractors, and affiliated organizations may be located outside of your home country; by using the abcntechnology.com website, you consent to the transfer of such information to them.

abcntechnology.com will not rent or sell potentially personally-identifying information to anyone. Other than to its employees, contractors, and affiliated organizations, as described above, abcntechnology.com discloses potentially information only when required to do so by law, or when abcntechnology.com believes in good faith that disclosure is reasonably necessary to protect the property or rights of abcntechnology.com, third parties or the public at large.

If you are a registered user of abcntechnology.com and have supplied your email address, abcntechnology.com may occasionally send you an email to tell you about new features, solicit your feedback, or just keep you up to date with what's going on at abcntechnology.com and our products. We primarily use our various product blogs to communicate this type of information, so we expect to keep this type of email to a minimum.

If you send us a request (for example via a support email or one of our feedback mechanisms), we reserve the right to publish it to help us clarify or respond to your request or to help us support other users abcntechnology.com takes all measures reasonably necessary to protect against the unauthorized access, use, alteration or destruction of potentially personally-identifying and personally-identifying information.

Cookies

A cookie is a string of information that a website stores on a visitor's computer, and that the visitor's browser provides to the website each time the visitor returns. abcntechnology.com uses cookies to help abcntechnology.com identify and track visitors, their usage of abcntechnology.com website, and their website access preferences.

abcntechnology.com visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before using abcntechnology.com, with the drawback that certain features of the abcntechnology.com website may not function properly without the aid of cookies.

Ads and Specials

Advertising material appearing on any of our websites may be delivered to users by advertising partners, who may set cookies. These cookies allow the ad server to recognize your computer each time they send you an online advertisement to compile information about you or others who use your computer.

This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to you. This Privacy Policy covers the use of cookies by abcntechnology.com and does not cover the use of cookies by any advertisers.

Comments

Comments and other content submitted to our servers are filtered for spam and are by default marked as false positives. These entries are then checked by a human before approval for publication.

abcntechnology.com does not take any responsibility in the actions of the said human or of the content submitter and/or content. We work hard to improve this service to avoid future false positives.
